Professional Employment

President, The Pautipaug Group Consulting **1996 - Present**

Founder and president of consulting practice specializing in strategic planning, business process re-engineering, public policy, legislative analysis and global security assessments for U.S. government, corporate and non-profit organizations.

The Academy of the Holy Family – Baltic, CT **March – June 2010**

Long-term temporary substitute history teacher at a small Catholic high school while completing my doctorate at the University of Connecticut. Taught classes in Honors/Advanced Placement U.S. History, Honors/Advanced Placement World History, and American Civics. Offered permanent teaching position, but declined to return at U.S. Coast Guard Academy full time.

President and Founder, The S.A.F.E. Foundation, Inc. **1998 - 2003**

Safeguarding American For Everyone was a non-profit (501c3) foundation for public education and awareness of non-traditional, 21st century security threats. Designed programs, conducted fundraising/grant-writing, plans and operations, wrote op-eds, conducted public speaking at public forums, and maintained interactive web site for research and public educational materials.

Senior Analyst/Team Leader/Manager for Policy Analysis, ANSER Inc. **1983 - 1997**

Directed national security research projects for non-profit 501c3 public research institute. Analyzed policy and legislative issues, trends, and activities affecting national security programs.

- **Project Leader.** Directed ANSER's Public Policy and Congressional Issues Analysis projects in support of government clients. Prepared analyses and regularly briefed project and general officers on emerging national policy, budget, and acquisition matters.
- **Manager/Team Leader.** Managed contract work for 20-person research division. Led multi-discipline IR&D projects developing MIS/decision tools for WMD non-proliferation activities.

Professional Staff Member, Washington Defense Research Group, Inc. **1983**

Provided research and analysis for consulting firm on strategic/theater nuclear force planning, arms control, and missile defense and space policy for U.S. Government clients.

Staff Writer, U.S. News & World Report - Books **1980 - 1982**

Researcher-Writer for multi-volume history of U.S. involvement in Southeast Asia. Produced research monographs, primary source research and interviews with senior decision-makers, military commanders and combatants.

- **Principal researcher.** *Kennedy In Vietnam: American Vietnam Policy, 1960-63* (1985) by historian William J. Rust.
- **Author.** *Vietnam: From Commitment to Combat, 1965*, a book-length manuscript on U.S. ground combat commitment in Southeast Asia.

The Pautipaug Group Consulting – Clients and Projects

DOD, Defense Threat Reduction Agency (DTRA), Advanced Systems & Concepts Office

- Conducted analysis support to ASCO's "Alternative Nuclear Futures" project (2005)
- Provided technical and advisory support to the DTRA Visiting Scientist Program (2005-2006)

ANSER (Analytic Services) Inc.

- Supported ANSER work with U.S. Air Force Air Staff clients, including concept papers, methodology and research development.
- Supported the ANSER Policy/Congressional Analysis Team providing product and service audit/evaluation, business re-engineering, and performance measurement recommendations.

DMS, Inc. of Alexandria, VA

- Consulted to a minority-owned business on process re-engineering and strategic planning, applying industry best practices in procurement and logistics to U.S. Government and private sector clients.
- Prepared proposals to develop national center of excellence for emergency preparedness and response training center for FEMA and the National Guard Bureau.

NABO Traders, Inc. – International Feasibility Study

- Member of logistics team assessing feasibility of private economic investment projects in West Africa.

The Military Officers Association of America (MOAA) [formerly TROA]

- Conducted an independent assessment of MOAA's government relations function, benchmarking over a dozen corporate, trade/member associations' government relations organizations.
- Supported implementation of relational data-base/knowledge management system for Government Relations/Member Service Center, including requirements analysis, user interfaces and MIS support.

Society for Human Resources Management (SHRM)

- Conducted an independent benchmark and best business practices analysis; established a customized performance measurement system for the SHRM governmental affairs department.

The Analytic Sciences Corporation (TASC)

- Analytic support for TASC Washington Office on government relations, benchmarking and best business practices for application to U.S. government clients.

Iron Tree Research, LLC

- Support for development of business intelligence tools, indicators & warning systems and teaching aids for market-based business development programs.
- Supported ITR analyses for client to redirect corporate development and expansion efforts, including business process re-engineering, and formal market research and business intelligence capability.

The Boeing Company - Washington Office

- Advised the Manager, Public Policy Affairs on benchmarking methodology and applications.

The S.A.F.E. (Safeguarding America For Everyone) Foundation, Inc.

- Founded and operated a 501c(3) non-profit education foundation to raise public awareness of non-traditional threats to America, and proposed national and homeland security responses.
- Designed education programs, conducted fundraising, grant-writing, program plans and operations.

Town Of Sprague Economic Development Commission

- Conducted comprehensive "Vision" and 10-year strategic plan for economic development, including Strength-Weakness-Opportunity-Threat (SWOT) analysis and regional economic analyses
- Match Goals-to-Objectives, Resources-to-Plans; developed implementation strategies, action plans
- Highlighted in "Small Towns: Staying Small by Thinking Big", Economic Development Journal (2005).

Sprague Advanced Renewable Technology Company, LLC

- Currently developing corporate business plans, strategic plans and implementation strategies.
